# Runner System

ms

If you've ever pulled on a drawer handle and had the drawer get stuck mid-way you were probably dealing with a bad runner, which is frustrating and easily avoidable. Our runner systems have full-extension concealed runners that offer full access to the drawer and increase efficiency with a nice, clean and finished look.

With multiple lengths and soft-closing mechanism options to choose from you don't have to worry about not finding the right runners for your drawers!

# Kitchen System

ms

Say goodbye to awkward corner spaces as you maximise your storage with our corner unit swing trays, where things will no longer be out of your reach. For ease of accessibility, the two-tier trays pull right out and allow for optimal use of vertical space.

The product comes in two variations to suit both left and right opening orientations with soft closing to ensure furniture lifespan.

# Corner Unit Swing Tray

### ***Kitchen Corner Unit Swing Tray***

Code	Version	Material	Load	Price
BCU-L	Left Swivel	Steel	15kg	<b>\$450.00</b>
BCU-R	Right Swivel			

A high-angle, close-up photograph of a pull-out kitchen cabinet. The cabinet is made of light-colored wood and is pulled out, revealing a stainless steel interior. Inside, there are several glass jars with metal lids and several glass bottles with yellow labels, all neatly arranged on a curved shelf. The background shows a light-colored countertop and a wooden floor.

No more digging through your cabinets to find the spices in the back. This pull-out cabinet ensures easy access to your extensive range of condiments. Coupled with the soft-close function, it keeps them upright and orderly even when it gets hectic in the kitchen. These narrow cabinets turn small spaces into valuable storage.
